

Accessibility Statement

We are committed to ensuring digital accessibility for individuals with disabilities. Some content or features on this site may not yet fully meet WCAG 2.1 Level AA standards. We are actively working to improve accessibility and regularly review our site to address any issues.

If you are unable to access any part of our website or need materials in an alternative format, please contact us at DrLove@DrKatDemps.com with the URL, document name, and a brief description of the issue. We will make reasonable accommodations to assist you as soon as possible.

This page will be updated as we continue to enhance accessibility across our site.
